Revenue Cycle Services

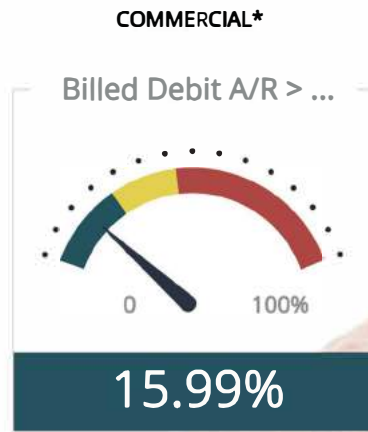

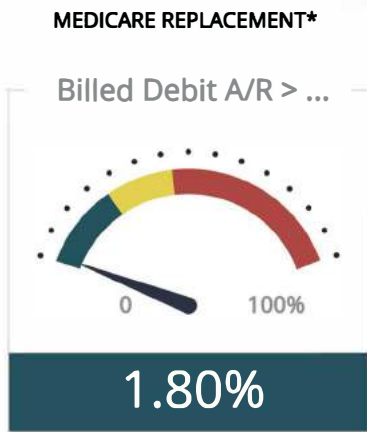

Harris Revenue Cycle Solutions can help you:

- ✓ Maximize Revenue
- ✓ Accelerate Cash Flow
- ✓ Decrease Cost
- ✓ Improve Efficiencies
- ✓ Integrate Platforms
- ✓ Expedite Collections
- ✓ Process Claims
- ✓ Manage the Chaos

As a healthcare provider, your team faces unique challenges. Harris understands. For over two decades, we have been providing healthcare facilities with resources and expertise to make sound business decisions for the effective and efficient delivery of quality patient care.

In addition to helping you Accelerate your Performance, as a part of your team, we will supercharge and coordinate Facility & Professional Coding, Claims Processing, Management Reporting Services, Provider Relations, Analytical Support, and Manage and Conduct Revenue Cycle Auditing.

Our Management Dashboard provides an Executive Overview and snapshot of daily business transactions and updates.

Accelerate Your Performance Results

At Harris, we understand your unique set of requirements. We start with an assessment of your current RCM process and customize our offerings for you. All our services are Flexible and Scalable. Ask us how we can help configure a solution that is right for you.
